NPR QS5_1 Teaching Observation Form Version 22_01

Pre-Observation

Section A

This section should be **completed by the observee (teacher)** prior to the observed session and should be given to the observer before the session commences.

Teacher Name							
Session Topic							
Module Name /							
Code							
Study Programme							
Study Level	Foundation		1st Year Degree	Pre-Master's			
Session Type	Lecture	Seminar	Small Group Tutorial	Lab Session			
Overall Aims / Learning Objectives of the Session							

Observation

Section B

This section should be **completed by the observer** during the session.

Observer Name				
Observer Position / Status				
Observation Type		Probation / Performance Review / Peer (amend as apt.)		
Semester		Observation Date		
Week of Semester		Observation Time		
Session Duration		Observation Duration		
Number of Learners		Total Number of		
Present		Registered Students		

Aims and Learning Objectives

Considerations for Comments:

- The overall aim of the session is clear and appropriate
- Learning objectives support the overall module outcomes
- Learning objectives are communicated clearly throughout the session

Planning and Organisation

Considerations for Comments:

- The lesson plan is clear and sufficiently detailed
- The lesson plan is appropriately structured and realistic in terms of time management
- The teacher is punctual and organised
- Time is well-utilised and a good pace is maintained throughout the session
- The session is placed within the broader context of the module / programme (linked to previous teaching sessions)
- The classroom and learning resources are used effectively (e.g. writing on the whiteboard is clearly set out, presentation slides are clear and appropriate)

Teaching Methods and Content

Considerations for Comments:

- A variety of teaching methods are used to promote learning
- The teaching methods used are appropriate for the level of the module, with differentiation displayed to account for varied student abilities
- The teacher emphasises and summarises key points
- The teacher checks understanding effectively and uses student mistakes constructively to facilitate learning
- The teacher encourages high standards of effort, accuracy and presentation in students
- The teacher shows a thorough knowledge of the subject content covered in the session
- The content is made interesting and supports the achievement of the learning objectives

Delivery

Considerations for Comments:

- The teacher speaks clearly appropriate volume, pace and language grading (for international learners)
- The tone and style used are appropriate
- The teacher shows enthusiasm and maintains learners' interest throughout the session
- The teacher maintains eye contact and uses appropriate body language

Student Participation and Engagement

Considerations for Comments:

- The teacher maximises student interaction and participation (e.g. encouraging participation from non-contributing students, providing opportunities for students to ask questions and feedback)
- The teacher praises students regularly for effort and achievement
- The teacher maintains an appropriate level of class control and takes prompt action to address poor behaviour
- The teacher has a good rapport with students

Additional Comments			
	_		
Post-Observation			
Section C			
	leted by the teacher following the	observed session.	
What do you feel went well	luring your session?		
If you were teaching this top	ic/session again, what changes wo	uld you make?	
Are there any other commer	nts you would like to make about the	e observed session	?
Section D			
Section D			
This section should be comp observation meeting.	leted and agreed upon by the ol	bserver and the te	acher at the post-
Good Practice Points for S	Sharing		
Highlight any ways in which good p	ractice observed during the session could b	e shared with other colle	agues
Action Points			
Highlight any ways in which the tea	cher could continue to develop their practice	e
